TESTIMONIALS OF OUR CLIENTS

"I sincerely thank the entire team of mission55. They provided amazing support to my dad living alone in India. The entire team is very professionals and most importantly sensitive and empathetic"

Hetal Aggarwal

Now i am completely worry-free about my parents in India. They are in absolute safe and trained hands. Thanks to mission55+ team. You rock!

Vimal Jain

I was always stressed due to my health issues and my son works abroad. My son appointed mission55+ as my caregiver company. i feel much secured now. They are good people.

Parvati Sonar

We design and offer customized packaged services for your parent and keep you informed about their health and well-beings. More than daily care for parents, we act as a virtual bridge between you and your parents. We serve health and fitness care, daily chores, leisure care, social and safety, and emergency care. Have such a care service for your parents and let them enjoy their life up to the fullest.

We are one such professional organizations that prefers elder care services **in Thane** for whom, well beings of elders is topmost priority and engage them in social activity, healthy habits like regular yoga and exercise sessions, occasional celebrations like wedding anniversary, birthday, Mother's Day, Father's Day and many more. This care entirely follows a systematic process. Immediately after a telephonic or mail request, we assigns a relationship manager for your parents which acts as point-of-contact for you to get update on your parent's health, and other aspects. Just relax and avail an effective **home health care services** for your parent and let them live a true meaningful, joyful, happy and healthy life. while you fulfill your aspirations peacefully by wings they gave you.
